Buenos Aires, Argentina

EDUCATION

2022-2025
UNIVERSIDAD NACIONAL DE SAN MARTIN

- 3D Animation & VFX Technician

2016-2020
CEARTEC

- Audio Recording and Production

LANGUAGES

- English (Intermediate)
- French (Fluent)
- Portuguese (Basics)
- Spanish (Native)

TECHNICAL SKILLS

- **3D Software**: Maya, Blender, ZBrush, Substance Painter, Unreal Engine
- **Compositing and VFX**: Nuke, Fusion, After Effects
- **Editing and Sound**: Premiere Pro, Photoshop, Adobe Audition
- **Techniques**: Motion tracking, rotoscoping, multi-pass compositing, HDRI lighting

PROFILE

3D Artist and VFX Compositor in training, with a multidisciplinary and versatile approach. Capable of developing complete scenes from modeling to compositing, but also able to efficiently integrate into collaborative pipelines within larger teams. Passionate about visual storytelling, atmosphere creation, and blending techniques. I am seeking freelance, part-time, or full-time opportunities in film, advertising, or mixed media, where both creative initiative and teamwork are valued.

REEL PORTFOLIO
